56 FR 61372, No. 232, Dec. 3, 1991

**SUMMARY:** This final rule is issued by the Administrator of the DEA in order to remove propylhexedrine from the Schedules of the Controlled Substances Act (CSA). As a result of this rule, propylhexedrine and products containing propylhexedrine will no longer be subject to the provisions of the CSA.

## **Continuation – 9 FAM 40.23 Exhibit I**

Propylhexedrine was placed in Schedule V of the CSA in April 1988 in conformity with international control of the drug under the 1971 Convention on Psychotropic Substances. On June 10, 1991, the United States was notified that propylhexedrene had been decontrolled internationally, thus, obviating the need for domestic control under the CSA.

**EFFECTIVE DATE:** This action is effective December 3, 1991.
